SeaScape's Apprenticeship Program Lets You Earn While you Learn!

Are you:

- Motivated to learn
- Eager to learn about the green industry
- Ready to earn up to \$18/hr after just 18 months of employment without a college degree
- Looking to start a career with a growing business
- Earn paid time off, medical/dental benefits and a 401k
- Excited to work outside and independently
- Interested in cross training in tree care, Christmas Décor and pest control

SeaScape may be the place for you. SeaScape, Southern New England's leader in professional lawn fertilization, plant health care and pest control excellence, is excited to announce our new Apprenticeship program!

SeaScape is ready to invest time and money to train our next generation of Lawn Care Specialists. Using a combination of classroom and on the job training, let us show you how rewarding a job in the growing Green Industry can be.
