RI General Law Information

§ 5-20-5.2 “Commercial water filtration/treatment system work” defined. [Effective January 1, 2017] Commercial water filtration/treatment system work,” as used in this chapter, means any alteration, installation or repair of water filtration/treatment systems in which the piping exceeds one and one-half inches (1.5”) or the flow rate exceeds eighty (80) gallons per minute.

§ 5-20-3.3 “Journeyperson water filtration/treatment system installer” defined. [Effective January 1, 2017]. Journeyperson water filtration/treatment system installer,” as used in this chapter, means a person who has performed all phases of a project under the supervision of a master water filtration/treatment system installer licensee for a period of not less than one year. Journeypersons shall not be permitted to apply for a water filtration/treatment system installation permit.

§ 5-20-4.2 “Apprentice water filtration/treatment system installer” defined. [Effective January 1, 2017]. Apprentice water filtration/treatment system installer,” as used in this chapter, means a person hired to perform all phases of a water filtration/treatment system project under the supervision of a master water filtration/treatment system installer licensee or a licensed journeyperson water filtration/treatment system installer for a period of one year.
