Wages are from the May 2023 OEWS Survey.

Published: April 2024

The Rhode Island Labor Market Information Division (LMI) uses the 10th percentile of wages as a “proxy” for entry-level wage rates, the 25th percentile of wages as a proxy for upper entry-level wage as the and the 75th percentile of wages as a proxy for experienced-level wages. Note: Data on entry-level, upper-entry and experienced-level wages was not collected as part of the OEWS Survey, and the percentile data contained in this report have not been validated by Bureau of Labor Statistics (BLS) and are not, therefore, part of the official BLS data series.
