# PREVAILING WAGE SURVEY WORKSHEET

**Purpose:** DLT is conducting an annual survey to establish the prevailing wage rate for school transportation related job classifications. The rate paid to the most workers per classification during the survey period (August 31, 2025-October 4, 2025) will become the prevailing wage rate for the 2026 calendar year. The prevailing wage for each occupation is set at the county level. If you pay different rates in different counties, submit a separate form for each area.

**Directions:** For each school transportation related job classification, provide the salary and fringe benefit amount paid to employees during the peak week. The peak week is the 7 consecutive days during the survey period of August 31, 2025 through October 4, 2025, when the highest number of employees worked per job classification. If employees earn different salaries and/or fringe rates in the same job classification, you may list the classification more than once. Do not submit any averaged or otherwise combined rate data. Only actual salary and fringe rates paid to employees is acceptable.

Company Name	Company FEIN	Company Address
--------------	--------------	-----------------

What counties does this worksheet cover?      Statewide      Providence      Kent      Bristol      Washington  
Newport

Job Classification	Peak Week Start Date (mm/dd/yyyy)	Peak Week End Date (mm/dd/yyyy)	Hourly Wage (0.00)	Hourly Fringe (0.00)	No. of Workers at Wage

**Submission Deadline:** Survey worksheets must be received by DLT by 11:59 p.m. on October 31, 2025, to be considered for the prevailing wage rate determinations. Worksheets may be submitted in-person or by mail to the address on this form, or by email to [DLT.LaborStandards@dlt.ri.gov](mailto:DLT.LaborStandards@dlt.ri.gov).
