Excavating Equipment	204	\$ 75	\$ 60

^{*} Individuals who achieve a passing score of 70 or greater will be invoiced for the License Fee.

A description of all License Endorsements is listed in Rule 2 of the Rules and Regulations for Examining and Licensing of Hoisting Engineers.

FULL LICENSE -- This license allows the operation of all hoisting and excavating equipment. A full license shall be issued to any person, successfully completing an examination for the same, who previously qualified himself/herself under this chapter, as a hoisting engineer with a valid regular Rhode Island hoisting license for a period of at least two (2) years. (code 140)

LATTICE CRANE LICENSE -- This license allows the operation of all lattice boom cranes, derricks, stiff legs, Chicago booms, gin poles, and tower cranes. (code 141, R101)

HYDRAULIC CRANE LICENSE -- This license allows the operation of cranes and other machines in which the main boom is hydraulically telescopic. This includes personnel and/or material hoists (as defined in the Rhode Island Elevator Safety Code §§ 10-1.7 and 1.8 of this Chapter, manipulators, winches, spider cranes, vibratory hammers, hydraulic hoists. (code 142, R102)

AERIAL LIFT LICENSE -- This license allows the operation of a boom type personnel lift that is hydraulically operated enabling the worker to lift himself/herself into an elevated working position, while lifting material. (code 143, R106)

OVERHEAD ELECTRIC CRANE LICENSE -- This license allows the operation of machinery which is electrically operated, that moves along an overhead rail that supports a trolley enabling material to be hoisted from one location to another. (code 143, R103)

CONVEYOR BELT LICENSE -- This license allows the operation of a selfpropelled crushing and/or reclaiming equipment, and portable conveyors used to move materials. (code 145)

CONCRETE PUMP / SCREEDING EQUIPMENT LICENSE -- This license allows the operation of hydraulic pumps which pumps cement products from one location to another, and machines used for screeding freshly poured concrete. (code 146)

CONSTRUCTION FORKLIFT/ TELEHANDLER LICENSE -- This license allows the operation of a hydraulic equipment, that does not have a cable winch, but has forks and/or attachments to lift and/or transport material from one location to another, with an extendable boom for height and reach. (code 147)

EXCAVATING EQUIPMENT LICENSE -- This license allows the operation of rubber tired, crawler, or robotic equipment (whose primary function is not designed for hoisting) machinery for excavating, grading, demolition, crushing, grinding, reclaiming, paving and compaction of earth or asphalt. (code 207, R204)

DRILLING RIG LICENSE -- This license allows the operation of truck or track mounted, rotary type machine used to test and/or excavate the earth. (code 208)

HYDRAULIC DELIVERY TRUCK—This license allows the operator of a supply, delivery, or equipment rental company to only unload their product or equipment at their delivery destination by whatever hydraulic means that is on the transport vehicle. (code R100)

SIGN CRANE -- This license allows sign contractors to perform installation and removal of signs only. (code R105)

SEGMENTAL LIFT HOIST OR SEGMENTAL ERECTING ARM -- This license allows operation of machinery that is used for hoisting and setting precast concrete segments underground in tunnel construction only. (code R107)
