

Water Filtration Application Information

Please read instructions below carefully:

1. Submit a legible copy of a valid driver's license or state identification with the application.
2. Complete, sign and submit the enclosed application form.
3. Submit a check or money order in the amount of \$75 (application fee) made payable to the RI Dept. of Labor and Training along with the application. Payment is non-refundable.
4. Submit a separate, detailed statement on company letterhead stating that the contractor has been incorporated or has been registered to do business with the State of Rhode Island for the past three (3) years designating the installation of water-filtration/treatment systems as a provided service; **OR** stating that the installer has been employed for the past three (3) years by a contractor that has been incorporated or registered to do business with the state of Rhode Island designating the installation of water-filtration/treatment system as a provided service. Statement must be notarized.

Note: *Incomplete applications will not be processed and will be returned to the applicant. All required documentation also must be included with the application.*

RI General Law Information

§ 5-20-5.2 "Commercial water filtration/treatment system work" defined. [Effective January 1, 2017] Commercial water filtration/treatment system work," as used in this chapter, means any alteration, installation or repair of water filtration/treatment systems in which the piping exceeds one and one-half inches (1.5") or the flow rate exceeds eighty (80) gallons per minute.

§ 5-20-3.3 "Journeyman water filtration/treatment system installer" defined. [Effective January 1, 2017]. Journeyman water filtration/treatment system installer," as used in this chapter, means a person who has performed all phases of a project under the supervision of a master water filtration/treatment system installer licensee for a period of not less than one year. Journeymen shall not be permitted to apply for a water filtration/treatment system installation permit.

§ 5-20-4.2 "Apprentice water filtration/treatment system installer" defined. [Effective January 1, 2017]. Apprentice water filtration/treatment system installer," as used in this chapter, means a person hired to perform all phases of a water filtration/treatment system project under the supervision of a master water filtration/treatment system installer licensee or a licensed journeyman water filtration/treatment system installer for a period of one year.

Application Fee (non-refundable)

License	Computer Code	Two-Year License Fee
Master water filtration/treatment system installer	56	\$240
Journeyman water filtration/treatment system installer	57	\$72
Apprentice water filtration/treatment system installer	58	\$20 (no test)

Important: *Complete and submit a Ratio Sheet on company letterhead. Ratio Sheet must also be notarized.*
